EDUCATION

Ohio University, Russ College of Engineering | Athens, Ohio   May 2026
Bachelors of Computer Science
Cyber Security Certificate
GPA: 3.91

EXPERIENCE

Academic Coach
Ohio University | Athens, Ohio

January 2024 – Present
- Managed 5 students at once and guided them to successful academic careers and assisted in their journey to getting off academic probation
- Communicated with multiple university services effectively to get students the accommodations they need
- Lead 2-hour long presentations to crowds of 100s of students discussing academic probation policies

Research Assistant   May 2024 – August 2024
Ohio University | Athens, Ohio
- Researched hardware security utilizing Course Grained Reconfigurable Arrays
- Acquired proficiency with 4 new tools very quickly (PyMTL3, OpTiMSoC, VectorCGRA, Vivado)
- Communicated with leading professors and presented my findings in PowerPoint and Overleaf

RELEVANT PROJECTS

Website   January – May 2024
Wordle Clone
- Full stack development of 'Wordle' utilizing JavaScript, React, Node, Tailwind CSS, HTML, and Supabase for anAPI
- Worked with a team and utilized many GitHub features: workflows, branches and reviewing merges
- Made UML diagrams, presentations, and unit tests using Jest for out presentations
- Created other pages and minigames on our hosted website (wordlemaxxers.com/home)
- Made an algorithm that could solve Wordle puzzled

CPU   May 2024
MIPS Assembly ran CPU
- Utilized Verilog to simulate a CPU that could run MIPS assembly code single handily
- Familiarized myself with computer architecture and helped me grasp what goes down at the lower level of computation.
